ZIPBOX

Once you have cut your beautifully printed cards it is very important for your customer to keep them in perfect condition.

ZipBoxes provide the solution.

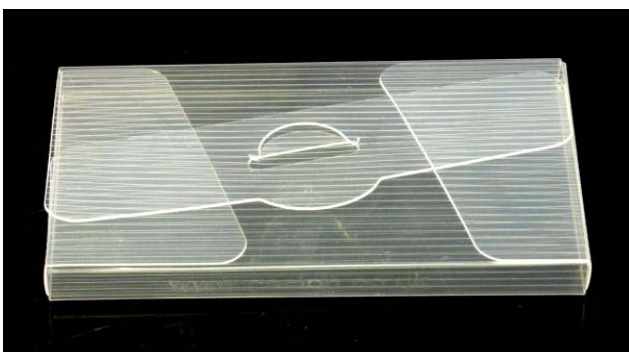

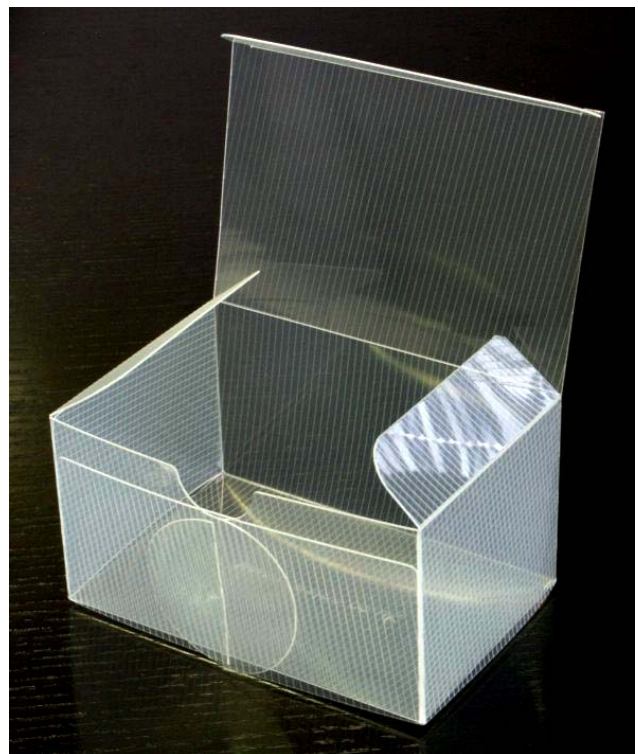

The ZipBox Maxi will hold around 200 cards and the Mini will hold approximately 30. These figures will change with different card stocks and weights.

The ZipBox Maxi is designed for bulk card storage in a drawer or on a desk.

The ZipBox Mini is used to protect the cards whilst being carried. It discreetly slips into a pocket, briefcase or handbag ensuring the cards are in pristine condition.

Another feature of the ZipBox system is that the Mini fits neatly into the top of the Maxi Box. This guarantees that the cards you have crafted are presented to your customer with maximum impact.

ZipBoxes are supplied flat in packs of 50 to save space & are quick and easy to assemble.
